Join a LiftED Committee

Help Strengthen Literacy, Leadership, and Opportunity in Toronto

LiftED Literacy and Leadership is seeking dedicated volunteers to join two Board-supported committees that play a critical role in advancing our mission.

Communications Committee:

Ideal for individuals with experience or interest in communications, marketing, or storytelling. Committee members support the development of clear messaging, a strong case for support, and an integrated communications strategy. Volunteers work closely with Board and staff to increase visibility and ensure communications effectively reach key stakeholders.

Fund Development Committee

This committee focuses on creating and implementing strategies to attract, cultivate, and retain donors. Responsibilities include supporting fundraising strategy development, identifying individual, corporate, and foundation prospects, strengthening donor stewardship, aligning efforts with organizational priorities, and reviewing fundraising performance and results.

Commitment

- 4-5 meetings annually (45-60 minutes)
- Meetings held virtually via Zoom
- Occasional email outreach or support tasks as needed

This is a meaningful opportunity to contribute your skills, expand your network, and support equitable education outcomes for children and youth in Toronto.
